Death of Young Man in State Prison.

William J. Dempsey, 21 years old, a former Greenfield, Mass., boy, was taken to Greenfield Monday by his father from the Vermont state prison at Windsor, where the son died Sunday night of tubercular meningitis. It is said that a pardon from Governor Bell arrived at the state prison a short time before the young man's death, but he was too weak to be moved.

The young man was convicted about five years ago, together with James Welch and Charles Blake, of making an assault on John W. Houghton, an aged man in Guilford. At the trial it was shown that young Dempsey had fired the bullet which wounded Mr. Houghton. All three were boys when the assault was committed all of them living in Greenfield. They had been reading had literature. Welch and Blake were pardoned from the prison some time ago.

The record of young Dempsey was good while he was in the prison, and he had written letters which had been published in the papers, expressing regret for the crime committed as a boy, and warning other boys against such a course.

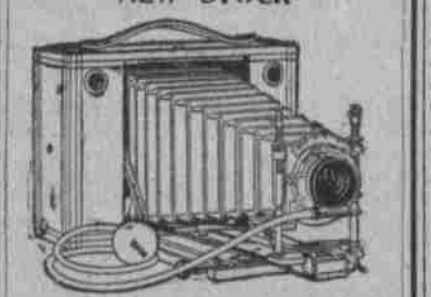

Rural Delivery and Sobriety.

A Milwaukee man asserts that in addition to the other benefits which rural free delivery of mails has conferred upon dwellers in the small country towns, it has exerted a noteworthy influence as a temperance agent. In the old times, he says, when the men folks went down to the store to get the mail, the store usually sold liquor, and they were likely to linger and swap gossip and take a few drinks—or in some cases a great many—before driving back to the farm. Now, when the mail is delivered at the farm, the usual practice is to sit down and read the paper the first thing after supper, and when Mr. Farmer has finished that pleasing task he is usually ready to go to bed.

"LITTLE CY" BATTED HARD

Cincinnati Mixed in Two Home Runs Yesterday.

MAKING THE SCORE 5 TO 3

Ewing Pitched a Fine Game for the Visitors, Allowing Boston Only Six Hits—Wolverton's Error Costly.

Boston, August 18.—The Boston Nationals signaled their return to home soil by dropping yesterday's game to Cincinnati, by the score of 5 to 3. "Little" Cy Young got bumped hard, nine hits being made off him. Boston secured six off Ewing.

The visitors started after the game in the second inning when Corcoran and Steinfeldt singled, and the former scored on the latter's force out at second. In the third Wolverton threw Ewing's grounder to the bleachers, and Ewing made the circuit. Boston made one in the same inning, when Needham singled, was advanced twice by sacrifices and scored on Tenney's single.

Cincinnati nailed the game in the fourth. Kelley singled and Steinfeldt brought him in with his home run over the left field fence. Odwell repeated Steinfeldt's drive in the seventh. Canell scored for Boston in the same inning on a fielder's choice, a stolen base and a single by Needham. A fielder's choice, a pass and a single by Delehanty scored Tenney in the eighth.

WHITE PLAYS FINE GOLF.

And He May Win the Vermont State Championship.

Bennington, August 18.—The feature in the second round of the match play in the fourth annual Vermont state golf championship, now in progress here on the Mt. Anthony links, was the match between Frederick Herreshoff, the title defender, and Alvers L. White, intercollegiate champion. Fair weather favored the contest, and a large gallery was out to see the matches. "Bob" White was at the top of his game in this round and defeated Herreshoff by 2 up and 1 to play. His chances are bright for gaining the championship. Herreshoff never played a better long game, but when it came to the green his work was wretched. The result of the second round in the championship division follows:

E. M. Pond, Rutland, beat Jasper Lynch, Ekwanok, 1 up, 20 holes.
A. L. White, Ekwanok, beat Frederick Herreshoff, Ekwanok, 2 up and 1 to play.
P. H. Jennings, Mt. Anthony, beat George Worthington, Mt. Anthony, 4 up and 3 to play.
Frank L. Taylor, Ekwanok, beat J. T. Gilmer, Mt. Anthony, 3 up and 2 to play.

FOUND NECKLACE.

Belonged to Miss Willing, Killed in Auto Accident.

Bennington, August 18.—The pearl necklace which was missing from the body of Miss Evelyn Willing, after the automobile accident, and which was valued at \$5,000, was found yesterday morning almost directly on the spot where she was picked up. Station Agent Bennett, while cutting the grass, struck the ornament. It had been broken, but he counted 73 jewels.

New York, August 18.—The body of Deputy Police Commissioner Harris Lindsey, who was killed with his fiancée when his automobile was struck by a train at Bennington, Vt., has been lying in state at the armory of the 12th regiment, Columbus avenue, and was under a guard of honor until the funeral services this morning, when it was sent to Manchester, Vt., and buried beside the body of Mr. Lindsey's fiancée, Miss Willing.

This morning the body, borne on an artillery caisson, with three patrolmen and three non-commissioned officers of company A as pallbearers, was escorted to the Brick Presbyterian church, where the services were held, followed by the rest of the company and a large squad of policemen.

Rest, Health and Comfort to Mother and Child.
MRS. WINSLOW'S SOOTHING SYRUP, reduces inflammation, allays all pain, and cures whooping cough. Perfectly safe in all cases. We would say to every mother who has a suffering child: Do not let your prejudice, nor the prejudices of others, stand between you and your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Price 25c a bottle.

BEEF, IRON AND WINE.

Beef, Iron and Wine is such an old remedy that we hardly need to mention what it is good for—everybody knows that—but few people realize that Beef, Iron and Wine is not all alike and that some mixtures called by that name are positively worthless as a medicine. That which we make contains the proper amount of iron in its most easily assimilated form, strengthening beef extract of the best quality and the finest old imported wine. This preparation is reconstructive and a trial of one bottle will demonstrate its value.

EXCURSION TRAIN WRECKED

Fifty Killed and Hundred More Injured.

THE CARS UNDER WATER.

Tragedy Overtakes Excursion Party in Virginia—One Report Says the Drawbridge Was Open.

Norfolk, Va., Aug. 18.—A disastrous wreck occurred yesterday afternoon at Boone Station, Va., four miles from this place. An excursion train on the Atlantic Coast Line from Rocky Mount, N. C., bound for Norfolk, was derailed and three cars were rolled into a deep ditch filled with water.

Nearly 50 killed and a hundred injured had been removed from the wreck. Several others are reported to have been killed or injured. The engine and one car are completely submerged in the water and two cars are partly above water.

The wreck occurred on the draw over the western branch of the Elizabeth river which gave away just as the train was crossing it. The three cars that were wrecked contained 60 passengers, many of them colored.

The injured are being brought to the Norfolk hospitals as rapidly as they can be taken out. Engineer P. F. Reigis jumped just as the train went through the draw and fell beneath the overturned cab. He was taken out seriously injured.

One report says that the drawbridge was open and that the engineer endeavored to stop his train in time to prevent the disaster, but failed.
